# **NOTICE OF PRIVACY PRACTICES**

## **OUR LEGAL DUTY**

We are required by applicable federal and state law to maintain the privacy of your health information. We are also required to give you this Notice about our privacy practices, our legal duties, and your rights concerning your health information. We must follow the privacy practices that are described in this Notice while it is in effect. This Notice takes effect with your signature agreement, and will remain in effect until we replace it. You may request a copy of our Notice at any time.

### USES AND DISCLOSURES OF HEALTH INFORMATION

We use and disclose health information about you for treatment, payment, and healthcare operations. For example:

*Treatment:* we may use or disclose your health information to a physician or other healthcare provider providing treatment to you. *Payment:* We may use and disclose your health information to obtain payment for services we provide to you.

Healthcare Operations: We may use and disclose your health information in connection with our healthcare operations.

*Your Authorization:* In addition to our use of your health information for treatment, payment or healthcare operations, you may give us written authorization to use your health information or to disclose it to anyone for any purpose. If you give us an authorization, you may revoke it in writing at any time.

**Persons Involved in Care:** We may use or disclose health information to notify, or assist in the notification of (including identifying or locating) a family member, your personal representative or another person responsible for your care, of your location, general condition, or death. If you are present, then prior to use or disclosure of your health information, we will provide you with an opportunity to object to such uses or disclosures. In the event of your incapacity or emergency circumstances, we will disclose health information based on the determination using our professional judgment disclosing only health information that is directly relevant to the person's involvement in your healthcare. We will also use our professional judgment and our experience with common practice to make reasonable inference of your best interest in allowing a person to pick up filled prescriptions, medical supplies, x-rays, or other similar forms for health information.

*Marketing Health-Related Services:* We will not use your health information for marketing communications without your written authorization.

Required by Law: We may use or disclose your health information when we are required to do so by law.

*Abuse or Neglect:* We may disclose your health information to appropriate authorities if we reasonably believe that you are a possible victim of abuse, neglect, or domestic violence or the possible victim of other crimes. We may disclose your health information to the extent necessary to avert a serious threat to your health or safety or the health or safety of others.

*National Security:* We may disclose to military authorities the health information of Armed Forces personnel under certain circumstances. We may disclose to authorize federal officials health information required to lawful intelligence, counterintelligence, and other national security activities. We may disclose to correctional institution or law enforcement official having lawful custody of protected health information of inmate or patient under certain circumstances.

*Appointment Reminders:* We may use or disclose your health information to provide you with appointment reminders (such as voicemail messages, postcards, or letters).

#### PATIENT RIGHTS

*Access:* You have access to the right to look at or get copies of your health information, with limited exceptions. You may request that we provide copies in a format other than photocopies. You must make a request in writing to obtain access to your health information. If you prefer, we will prepare a summary or an explanation of your health information for a fee.

*Disclosure Accounting:* You have the right to receive a list of instances in which we or our business associates disclosed your health information for purposes, other than treatment, payment, healthcare operations and certain other activities. If you request this accounting more than once in a 12-month period, we may charge you a reasonable, cost-based fee for responding to these additional requests. *Restriction:* You have the right to request that we place additional restrictions on our use of disclosure of your health information. We are not required to agree to these additional restrictions, but if we do, we will abide by our agreement (except in an emergency).

#### QUESTIONS AND COMPLAINTS

If you want more information about our privacy practices or have questions or concerns, please contact us. If you are concerned that we may have violated your privacy rights, or you disagree with a decision we made about access to your health information, you may complain to us. You also may submit a written complaint to the U.S. Department of Health and Human Services. We will provide you with the address to file your complaint with the U.S. Department of Health and Human Services upon request.

We support your right to the privacy of your health information. We will not retaliate in any way if you choose to file a complaint with us or with the U.S. Department of Health and Human Services.
